PROFILE

Motivated Frontend Developer and BS Information Technology student at the Agriculture University of Peshawar. I have strong skills in HTML and CSS, with basic knowledge of JavaScript, and I am currently learning the MERN Stack from Saylani Mass IT Training (SMIT). Passionate about creating responsive, clean, and user-friendly web interfaces and eager to gain practical experience through an internship.

SKILLS

HTML5 (Strong)	CSS3 (Strong)	Responsive Web Design
Flexbox & CSS Grid	JavaScript (Basic)	UI Design & Page Layout
Git & GitHub	Problem Solving
